Server Agent v2.3.7

배포 내역

배포일: 2023년 6월 8일

`Fixed` `hostguid.enabled=true` 옵션을 적용하면 **AWS EC2**를 포함한 가상 머신의 `Guid` 값을 `oid` (에이전트 고유 번호) 생성 시 포함하도록 수정

- IP 주소가 재활용되더라도 `oid` 가 달라지도록 변경하였고, 해지된 `oid` 를 재활용할 때 `Guid` 값을 이용해 기본 알림 적용이 누락될 수 있는 오류를 방지합니다.
